

## REASONS WHY I WANT TO STUDY AT BIRMINGHAM CITY UNIVERSITY

### 1. ACADEMIC REPUTATION IN NIGERIA

Birmingham City University has an academic reputation amongst government agencies that it provides quality education to Nigerians making returning students industry ready and capable of taking on challenges of the work place without much required training.

### 2. MULTI CULTURAL DIMENSIONS

Birmingham City University is known for its diversity in different multicultural and religious tolerance and dimensions.

### 3. WORK PLACEMENT

Birmingham City University offers the ability to gain industry and professional experience to students especially for my Course (Cyber Security)

### 4. BIRMINGHAM

I have done a little research about Birmingham and found that its a multicultural and beautiful city with serene environment which is conducive for learning.

I have chosen Cyber Security pathway at Birmingham City University because the degree has been accredited by the Engineering Council and it offers me with the progression of my dream career in ICT. It would also provide me with the necessary experience I need to boost my credentials and career.
